ABOUT ME

I am Skilled & Motivated Full Stack Laravel Developer, I possess a strong background in PHP and JavaScript, enabling me to design, develop, and deploy cutting-edge web applications. With in-depth proficiency in Laravel, PHP, JavaScript, jQuery, Bootstrap, and MySQL, I am well-versed in the latest front-end and back-end development technologies.

WORK EXPERIENCE

Full Stack Laravel Developer

StepInnSolution [Jan 2023 – Current]

City: Lahore | **Country:** Pakistan

I develop dynamic, user-friendly websites and APIs for mobile backends, with expertise in Google/ Facebook login integration, bug fixing, and adding new features. I have experience in compliance management systems, Ajax, CRUD functionalities, and secure payment gateways like PayPal and Stripe. Additionally, I implement multi-authentication systems to enhance security.

Web Developer

E-Rozgaar Program [Apr 2022 – Jan 2023]

City: Lahore | **Country:** Pakistan

I excel at managing multiple projects, consistently meeting deadlines under pressure. Specializing in visually stunning, responsive websites with HTML, CSS3, Bootstrap, Elementor Pro, and WP Bakery, I enhance WordPress designs and develop seamless e-commerce sites using WooCommerce. Additionally, I created a Tailoring Management System with Ajax, CRUD functionalities, and multi-authentication for enhanced security.
